6TH ANNUAL CHS FEEDER AREA CROSS COUNTRY CHALLENGE TUESDAY, SEPTEMBER 10TH, 6:00PM SIERRA MIDDLE SCHOOL

We love running, being in the community with one another, getting fit and having fun! Our desire is to share that with all young people in our feeder elementary schools. We want to introduce all future Wolverines to the joy and fun of running. We want to give back to the community and help the kids in our feeder area get and stay fit. Also, we want to build our program and become one of the best cross country programs in the state.
