## *What's Happening at Pine Grove*

Dear Parents,  
Our staff is in the process of making class placement decisions for the 2023-2024 school year. Much time, thought, and consideration is given to this process.

As has been our policy in past years, we do not take specific teacher requests. There are many reasons for this policy. First, with 400 plus families, we would be unable to honor everyone's request. In addition, we cannot guarantee that a teacher will be teaching a specific grade level as staffing changes can still occur throughout late spring and into the summer. Thank you for your understanding of this important policy. Teacher placements for 23-24 will be communicated in July.

Pine Grove is looking to hire an additional Educational Assistant for the 23-24 school year. If you would like a job working with awesome kids and would enjoy a schedule that is aligned with your student, please apply on DCSD's career site today!

Thank you for your continued support!
